"We brought Billy Harris in for our Annual 'Excellence In Service' Awards event at the St. Regis in San Francisco, and couldn't have made a better choice. He entertained everyone with his sleight of hand during the cocktail reception, and then helped raise the bar on an already fantastic program as the emcee for dinner & the awards. Our guests and executives absolutely loved Billy's humor and magic. We can't wait to have him back!"

-Jennifer F. York, Sr. Production Manager, Event & Production

"We needed to do something different, engaging, exciting and most of all fun around the topic of teamwork. Billy took the time to learn about our business, meeting goals and successfully delivered this and much more to a team of 100 sales people over three days. The incredibly positive feedback received from our employees confirms we met our teambuilding objectives."

" Billy Harris was the glue that kept our three day event running on schedule. From the moment he introduced himself on the first day, he kept the audience engaged and motivated them to actively participate. Pulling together a conference is a big challenge. Billy eagerly accepted responsibility for keeping it entertaining and moving along from topic to topic to allow me to concentrate on managing the conference content, outside speakers and all the other details. I am looking forward to working with Billy again on our 2008 event!"

-Rick D'Angona, Director-Experian Americas
